“美好之人生，不外乎各人顺其性情，行好份内之事。”

Luis de León

创始人的信

还有52天，我就50岁了。小时候写作文，总是会说“年过半百，两鬓斑白”，可怕。而此刻，我觉得，50岁真是个好年纪啊。岁月是生命的礼物，我已经慢慢地学会了如何生活，内心自由、丰盛。

站在这个时点，我觉得幸运。人生的前20年，在父母的护佑下，顺己性情；之后的30年，在伙伴的支持下将份内之事做得还算及格。

在50岁时，我将份内之事压缩到最少，然后打算给自己个礼物，任性得做一件我真正爱做的事，经营一个与美好生活相关的品牌——**DooCoco**。叫这个名字，只是因为看这几个字母排列在一起就莫名的开心，又朗朗上口。我希望和优秀的设计师、手作人去寻找、创作可以长久陪伴大家的作品，这些作品穿越时光，在每一个日常，我们去触摸它、欣赏它，感受细小的、真实的美好，让我们历经风雨仍然觉得人间值得。

DooCoco 2020秋冬“EMBRACE 拥抱”系列选择五款羊绒围巾作为首发，因为羊绒是最有陪伴感的织物，就像把爱搭在肩上，温暖而不负累。经历着疫情动荡的我们更需要在每个可能的细微之处，被温柔以待。

让我们好好拥抱自己，拥抱生命中最重要的人，拥抱明天。

Founder's Letter

I'm turning age fifty in 52 days. When I was young, I often used the phrase "an aging grey-haired fifty-year-old" a lot in my essay writing. That phrase sounds so horrible and wrong, doesn't it? However, right now, I feel like I'm just about to enter my prime. Age is a **gift** from life. Slowly and gradually, I've managed to pick up the art of living, with a mind that's spiritually rich and free.

"A wonderful life is all about making choices by freewill and fulfilling one's responsibilities in the right manner."

Luis de León

At the current stage of my life, all I feel is blessed. In the first twenty years of my life, I was able to do what I had loved under the wings of my parents. Then for the past thirty years, I've managed to deal with my part of duty responsibly with the assistance and support from my friends.

As I'm turning fifty, I plan to be self-indulgent and give myself a **gift**: **DooCoco**, a brand associated with wonderful life experiences. It also happens to be what I'm truly passionate about. The reason I named this brand **DooCoco** is that I love the way these alphabets sit together and the rhythm when you read them out loud.

I want to explore and create artworks that can accompany all of us timelessly as **gifts**, alongside with outstanding designers and craftsmen together. These artworks will last in time. We get to touch and appreciate the beauty and charm within them in our everyday life. May the beauty and charm help make our lives delightful, even though sometimes we inevitably run into things that are not so great in lives.

Five cashmere scarves are introduced as launch products of **DooCoco** F/W20 "**EMBRACE 拥抱**" series, merely for the unique character of cashmere, that offers the most sense of companion among all textiles. Cashmere works just like love, warm but not restraining. In the year of 2020, during the exhausting pandemic, and all the other challenges we are facing, we need more care and love than ever.

Let us embrace ourselves, embrace those who we treasure the most in our lives, and embrace tomorrow.

Yours,
Yu Yan
